

**KUKELEKU®**  
Organic Chicken

## *Our Story*

*What started out as simply a passion for real food and a longing for the dishes of our childhood has grown into a place for young and old to relax and enjoy what the Dutch kitchen has to offer. Our organic chicken has a 3 star “Beter Leven” (Better Living) certificate and is sourced from local farms, grilled to perfection in our rotisserie and served with homemade side dishes.*

*On our menu you'll find seasonal variations of Dutch classics from Grandma's kitchen with a twist. Our restaurant is styled to give a calm, truly Dutch atmosphere, with the statement piece being a traditional Delft-tile inspired wall. Our restaurant gives a feeling that is loved by both locals and tourists, and we invite you to come in for yourself to experience the true Dutch kitchen.*

*All our soft drinks are homemade with mineralwater from De Nieuwe Amsterdamse Smitwaterfabriek.*

## *Beers & Cider*

*We know from experience that chicken and beer go really well together. That's why we serve 4 different locally brewed beers from Amsterdam's Brouwerij 't IJ: Natte, Zatte, Struis and Columbus. This brewery produces beautiful craft beers next to an old mill in the east of the city. The total capacity is only about 9500hl per year so we are honoured to serve it to you!*

## *A yummy start to the day...*

*Offering everything from homemade pancakes, organic fried eggs & avocado on toast, to organic yoghurt with granola and fresh fruit- our brunch menu offers everything for your weekend brunch affair. Our restaurant is open all day, a place to eat, drink and relax with friends and family.*
