

TEDS.

ALL DAY BRUNCH - MENU

Good morning **GORGEOUS!**

Welcome at Teds, it's a pleasure to have you!

We will do our very-very best to make your time at Teds as amazing as possible. Our food is prepared with a lot of love and attention, so are our coffees, cocktails and other drinks!

Did you know that we serve the entire menu the whole day? And that we won't look at you as we do at our uncle Jerry if you order your first cocktail or glass of champagne before 10:00 AM? Don't forget that alcohol helps to remove the stress, the bra, the panties and many other problems. Just kidding, drink responsible!

It sometimes happens that there is something wrong with your order, please let us know so we can fix this for you. We also try to get your order to your table as soon as possible. When it's busy, like in weekends, this could take a bit longer than expected, if you have the feeling that we forgot about you, please let us know! If so, oh SHIT, we are so sorry and we will make it up to you!

We love you and your little sprouts BUT please keep in mind that our job can be dangerous! Especially when we are walking around with hot coffees, teas and sharp knives. Unattended children will be sold to the circus.

*Last but not least, we have **free wifi**, but don't forget that very special person you're with, don't be an ass! And if you are using our free wifi, please be so kind to like and check-in at Teds. on social, post a nice pic or selfie and tag Teds. FB **@teds** - Instagram **@teds_place** and use **#teds**, we do love those pictures!! Or just go crazy and write a review, preferably a positive one, if you have any complaints please tell us right away so we can instantly try to fix it!
