

# Global fine Dining

Our kitchen staff has put together a worldly map for you with all your care, composed of subtle, challenging, explosive and irresistible dishes. These dishes contain ingredients or influences from the country that is appointed to each dish. We advise you to choose at least one dish from each category so that you can create your own culinary world trip. Our 'guilty pleasures' guarantee a nice conclusion to your lunch or dinner.

*Tasty journey desired!*

## BITES

|                      |                       |                           |
|----------------------|-----------------------|---------------------------|
| <i>Gamba</i>         | <i>A piece</i>        | <b>TWO</b>                |
