

WOLF

WELCOME TO IRELAND

THE WOLFHOUND

IRISH BAR & KITCHEN

ALTERNATIVE,
ROMANTIC, OFF BEAT,
YET TRADITIONAL.

Welcome to Ireland.

The Wolfhound Irish bar is unique in every sense. The minute you walk into this 17th century building you'll know you're in for something different but reassuringly familiar.

Run by the food, music and pop culture obsessed owners we hope you feel this is what you were looking for without even knowing it.

Grab a booth. Peruse the menu. Don't miss the beer specials. Ask for a song. Pick up a guitar. You can even ask for the TVs to be turned on. They're usually for big sporting occasions and discreetly hidden. However, we're pretty flexible.

Even the restrooms are different here.

Oh and mind your head. You'll soon be one of the locals who finds that hilarious.
